Introduction

[A plane is flying into the beautiful horizon]

The picture zooms in to the back of the plane

It goes beyond several normal people in first class

There's a man sitting ahead with dark blue, WILD cool hair

The familiar stranger is thinking with an even more familiar dark voice

Familiar stranger: **thinking** So Tyson quit too, eh?!

Looks out of the window. The sky outside is beautiful

In the reflection you can see a the man sitting with his elbow on the arm rest and his chin resting in his hand looking bored

He's wearing an expensive shirt (you can't see the colours too clearly in the glass) and is sitting on a cool leather jacket (you can't see his face because the reflection ends at his mouth)

Familiar stranger: **thinking** I never thought I would return to see the boy who swore he'd never give up, end up as the man who lost himself completely.

Familiar stranger: **thinking** But your spirit will emerge once more. You could never say no to the toughest of battles, and I'll be the one to bring it. **smiles**

The air stewardess walks towards the stranger's seat

Air stewardess: More champagne Mr. Hi...?

Familiar stranger: No thanks...

His dark brown eye is looking out the window again

It zooms out the window and around the plane as you hear the man's voice; thinking...

Familiar stranger: **thinking** You'd better watch it Brooklyn, you've got a challenge coming your way!

==Page 1==

[Sam is standing near the gate of Nonsuch Park, waiting for his team to arrive. He looks at the ground with an aggressive expression]

In the street outside the park Darryl is running with the rest of the team behind him, Ryan and Fat Ass sweat like pigs (those lazy bastards)

Darryl looks at Sam standing by the gate

Darryl: Hey Sam! How are ya, bud?

Sam looks at him with crazy eyes

Sam: I thought I told you to hurry.

Darryl and the others run slower and slower and stop right in front of Sam

Darryl: Well we're here now, right?

Antonio looks out from the crowd with shocked eyes

Antonio: What's the pig bush?

Sam looks at Antonio as if he were an idiot

Picture rolls to Darryl

Darryl: Antonio meant "What's the big rush?"

Sam looks cocky

Sam: You should know already! It's the BeyUK preliminaries!

The rest of the team looks surprised, saying

All of them (besides Sam): BeyUK Preliminaries?!

Zooms to Fat Ass saying

Sebastian/Fatty: But ain't beyblade tournaments forbidden?

Sam walks into the park with his arms crossed, then turns around to look at them

Sam: BeyUK is a brand new beyblade company that, in cooperation with Intoy, is going to host the very last beyblade tournament in all of England.

Does a close up of Sam's face

Sam: They arrived just a week ago. For the past two years all beyblade companies have been working together to bring back beyblade tournaments, or in this case to try to organise one last big one, and BeyUK is the company that's been formed to take care of Beyblade production and the preliminaries within England.

Sam smiles

Sam: Bladers who arrived at this park 30 minutes ago were given golden cards by BeyUK staff, and with these cards they can enter the preliminaries. We are going to get these cards and I don't care what it takes! **clenches his fist, looking more determined than ever**

Sam: We claimed we are the best now it's time to prove what we're made of... Kassatsu Doragons shall triumph!

Sebastian looks determined from Sam's speech

Sebastian: What's the plan, boss?

Sam looks up and says

Sam: We'll split up into a three and a two; me and Darryl, than Sebastian, Antonio and Ryan.

A hand slowly rises from behind the crowd (the team). It shows to be Ryan's hand

Ryan: I think I'll pass...

Everyone(besides Ryan): WHAT?!

Eyes open wide, anime style as they all look at Ryan

Ryan smiles his drugged smile

Ryan: The tournament is just an establishment the system uses to tie your mind and bust in your bread. **yawns**

Sam looks at Darryl and asks

Sam: What's he saying?

Darryl looks stunned

Darryl: He says the tournament is just an event the government uses to steal peoples money.

Sam looks at Ryan and says

Sam: I can't believe you won't even battle for us in a time like this.

Ryan looks a bit grumpy, with tired-looking eyes and slowly says

Ryan: I just play for fun, man. The tourney might be your bag but to me it's a drag. I'll find somewhere to crash and blow my mind.

Ryan walks away slowly into the bushes

Sam looks at him with a disappointed expression

Sam: Sam: Sure thang, dude! Go away and sniff at the flowers or what the hell you want, I don't care...

Sam: **thinking** Geez what am I going to do with these guys. They won't even listen.

Sam looks back at what remains of the team as he says...

Sam: Okay, let's go! **looks hyped (but not happy)**

==Page 2==

[The sun is shining brightly on this hot day, and inside the park two guys are walking]

The picture shows their sports shoes as they walk in the breeze and the burning sun

The first one is wearing dark blue, baggy jeans

The one walking behind is wearing white sports pants, showing his very strong leg muscles

The picture shows them from above and behind

The guy with the big muscles is wearing a grey sleeveless shirt showing off his big muscular arms. He also has a plait at his neck that flies in the wind as they walk

The other guy has sweaty black hair, he's wearing a grey hooded shirt and a brown leather jacket (hip-hop looking)

The plait guy: Too bad. The beyblade world is not what it used to be. During Xai-yiu's time we could at least have some fun.

The other guy's dark, dark voice says...

Other guy: Mm... **sounding almost scary**

Plaint guy: It's almost like I wish that bitch were still around. I bet she couldn't stand the cow she called mother dying like that, so the whore ran away with her tail between her legs crying her eyes out. **He laughs**

The other guy: You should watch it. Xai-yiu was a powerful opponent. I can promise you that you wouldn't have lived today if you were the one that used to be my arch rival

The other guy: You should be thankful for you're still useful to me or I would have killed you right on the spot

Plait guy: I bet she's all emo these days, and sucks cock for a buck.

The picture shows the other guy's ugly but VERY scary looking face. He has very evil eyes

The guy: You have a big mouth, Armash.

The guy smiles an evil, sadistic smile

The guy: You should watch it. Xai-yiu was a powerful opponent. I can promise you that you wouldn't live today if you were the one that used to be my arch rival.

The picture zooms to his pocket which is full of golden cards (one of them has a little blood on it)

The guy: You should be thankful for your usefulness to me or else I would have killed you right on the spot.

The picture rolls over the plait guy's/Armash wide open and psychotic, yet scared, eyes

Armash: Meran, sorry. I forgot she used to be your rival. I was just taunting the enemy.

Zooms to a holder by Armash's belt. Inside the holder there's a metallic launcher

Armash: After all she and her Kassatsu Doragon used to be quite a bother.

Armash reaches down into his pocket to grab his beyblade

Armash: But in the end, no one's a match for you Sensei.

Grabs his beyblade as the picture fades to black

==Page 3==

[Picture shows Sam and Darryl walking along the path. Sam is walking ahead.]

Darryl wipes the sweat from his forehead

Darryl: Damn it. Why did we have to miss when they were dealing out the cards?

Sam quietly answers

Sam: Don't worry dude. We'll get in.

Darryl looks at Sam with sympathy

Darryl: What's wrong, dude?

Sam bites together and stops walking (Darryl stops too)

Sam: It's that pressure of being team leader again.

Darryl: You're thinking of what Ryan did, aren't you?

Sam stays up and says

Sam: No! I'm thinking of the entire team, and Xai-yiu.

Darryl: I know that both Antonio and Ryan are huge bothers to you. I see why you should keep Antonio since we need him to keep Fat Ass, but why keep Ryan?

Sam's eyes look sad

Darryl: He barely ever wants to battle and when he does battle he can't ever take it seriously. He's just playing for fun and when he actually battles he doesn't even care to try!

Shows Ryan standing behind a tree looking sad as he hears what they say

Darryl: Not to mention this isn't the first time he's left before a challenge.

Picture zooms in to Sam's mouth

Sam: I can't throw him out, I promised Xai-yiu I'd keep him...

Darryl's eyes open wide

Darryl: No way!

Sam's mouth is shown again

Sam: Ryan has been on this team longer than both you and me. Besides my sensei he's the only one who was on this team when it all started. I know it's stupid to keep such a weak blader, but I gave my word.

Shows Ryan behind the tree looking disappointed

Sam: By the way, in some weird way...

Sam starts walking again

Sam: I think he's kinda cool.

Ryan's eyes open wide in shock

Darryl looks shocked too, but soon looks ashamed as he carries on walking behind Sam

Darryl: I'm sorry, Sam.

Sam: It's okay mate. Now let's find a challenge.

**Ryan looks out from behind the tree and watches them walk away as the picture fades to black*

==Page 4==

[A sand brown beyblade is battling a water blue beyblade inside a fountain]

The brown beyblade beats the blue one making it fly out of the stadium into the grass

The blader who won is shown to be Antonio and Sebastian screams

Sebastian: Way to go, one score for the Kassatsu Doragons. Good game, buddy!

Antonio smiles as he catches his beyblade, looks at Fat ass who stands behind him, and then says.

Antonio: Thank you, friend.

The guy who picks up the blue beyblade looks disappointed. He has orange hair and is wearing a white shirt.

Sebastian raises his hand as if he wants something

Sebastian: **sound** Mmhmm...

The losing guy sadly brings out a golden card from his pocket and throws it to Sebastian, who looks damn cocky

*Sebastian: Now we just need one more card to enter the tournament! *Laughs in a retarded way**

Sebastian suddenly looks confused and glances at Antonio

Sebastian: Speaking of the tournament...

Antonio looks up with a curious expression

Sebastian: How come you didn't tell us about it?

Sebastian: You're the only one on this team that watches the News and they got to have said something, right?

Antonio's face shows his surprise

Antonio: But friend, I did told you.

Sebastian's eyes look a bit psycho open (Anime style)

Sebastian: You're serious?! When?

Antonio looks surprised

Antonio: Yesterday.

Shows Sebastian

Sebastian: Really?

Calms and then looks as if he realizes something

Sebastian: **Raises his finger** Wait a second!

(Flashback)

Darryl defeats some unknown kid within seconds as Sebastian stands behind him

Sebastian: Gee Beyblade is so lame these days!

Darryl: **Sweat drop of irony** I know what you mean.

Sebastian looks annoyed

Sebastian: **thinking** I hate this.

Antonio runs up behind him and screams

Antonio: Beyblade torment!

Sebastian: Yes, Antonio! I know...

Antonio looks surprised at Sebastian's reaction but tries again

Antonio: Beyblade is torment. **Looks at Antonio arrogantly**

Sebastian: Yes! I know beyblade is a torment. **Looks at Antonio arrogantly**

Antonio: Beyblade torment.

Sebastian looks mad

Sebastian: Okay pal, we got the message! **sweat drop of irony**

Antonio: BEYBLADE TOURMENT!

Sebastian turns around with all white eyes and a crazy face and screams

Sebastian: NOT ONE MORE WORD!

Antonio: **looks sad** But Beyblade torment...

Sebastian brings out his Beyblade

Sebastian: Okay, that does it!

He puts the beyblade on his launcher

Sebastian: Step up to the dish pal!

Antonio looks really surprised

Antonio: but the Beyblade tournament?

(flash back ends)

Sebastian looks really disappointed

Sebastian: Dude, you need to learn better English. **looks pissed**

Antonio: I do me best. **smiles happily**

==Page 5==

[Ryan has lain down under a tree and fallen asleep. The picture is rolling over him and behind the tree there's a step and beneath that there's a footpath]

(Ryan snores as the picture shows him from the side while he sleeps with a drugged smile on his face)

Darryl and Sam come walking along the path

Shows close up of Darryl

Darryl: Damn it! It seems we were too late.

Sam: Don't give up so soon, someone must be around.

Sam stops

Sam: Hold on, man.

Sam looks down at the ground

Darryl: What's wrong?

Sam looks sad as the breeze whips around him

Sam: I remember this place.

(Flash back)

The picture shows two people standing in the exact same spot as where the flash back began

A younger Sam is standing behind a female character. You can't see her face because the picture shows the back

Black-haired Female: **Crying voice** I can't stand it here anymore. I JUST CAN'T!

Sam looks shocked

Sam: But Sensei, why?

Sensei/Xai-yiu: Sorry Sam. But there are some things I can't explain.

Xai-yiu turns around but the picture zooms to Sam before you get to see Xai-yiu's face

Xai-yiu: I have to leave now. Please take care of the team... and... and... good bye forever. **She runs away as Sam stands there, silent**

(Flash back ends)

The picture zooms out from Sam looking at that tree

Darryl looks as if he were sad too

Darryl: **thinking** How idiotic of me. How could I have forgotten this is where it all started?

Darryl looks down on the ground

Darryl: Sorry.

Sam keeps looking at the tree.

Sam: I'm sorry too my friend.

Zooms and rolls over Sam's sad eyes

Sam: I always thought it would be fun leading the team... But when she left, Beyblading became a bother.

Darryl looks even sadder

(Flash back)

Xai-yiu walks out of the abandoned factory where they used to hang out

Darryl: Hold on, you can't leave!

Zooms onto his sad face

Xai-yiu begins to run away

Darryl: XAI-YIU! **reaches out to try and stop her**

Shows her running out of the entrance

(Flash back ends)

Sam looks all broken as he looks at that tree

(Flash back)

Sam is lying under the tree all exhausted. He is about six years old

An apple flies into his head

Xai-yiu: (younger voice) Hey we're not done yet lazy head.

It shows her mouth as she smiles at him

Sam smiles back

The picture of Sam lying under the tree changes to a picture of the tree in the dark

The young Sam turns into an older Sam looking sad, sitting under the tree all night long

(Flash back ends)

Sam slams his fist into the tree

Sam: Damn!

A cone falls onto Ryan's head waking him up

Ryan: **thinking** Bugger! Can't a dude crash anywhere these days? **Rubs his head**

Darryl sees someone walking towards them from in the grass field

Darryl: Hey Sam! How about you snap out of the sorrow, and bring out your blade because it seems like we've got some company.

Sam looks up and in the same direction

Sam: Let's go and challenge them then.

==Page 6==

[Chris is entering the park from another entrance, but as he enters a pretty strong looking guy in a white jacket pushes him out of his path]

Chris falls to the ground as the guy says

Strong Looking guy: Move it! You pathetic wimp...

Two guys walk in behind him. One has wild stylish black hair and Nike clothes, the other one you've seen before. It's the black guy who lost to Xaro in chapter 1

The Nike guy smiles an amusing smile and looks at Chris

Nike Guy: Hey, shrimp boy, run! **Kicks on Chris**

Chris rises up and run away from them

They laugh a little bit for seeing him run, then the black guy asks the strong looking guy...

Black Guy: Hey Srod! Where are we going, I mean to pick a...?

Strong Looking Guy/Srod: Shut up, Cliff! We go where I go.

Srod lights a cigarette then says

Srod: Ay' Noel, how about a real challenge for once. Like fighting me?!

Nike Guy/Noel: Quit thinking you're so macho, Srod. If you're after a challenge... why not fight Meran?

Srod looks back at Noel as they walk

Srod: I know a good challenge when a see one and fighting Meran is not a challenge... but rather a suicide.

Cliff looks cocky

Cliff: Chicken?

Srod smirks

Srod: I'm just using ma brains, man. Come on; let's get three of those cards that Meran wanted

==Page 7==

[The picture shows a close up of Sam's serious expression]

Shows Armash' sarcastic expression

Armash: Challenge us?! You must be a real idiot!

Picture shows Meran

Meran: **Dark slow voice** I advise you to back off.

Sam: Never!

Shows Darryl and Sam standing in the breeze (Looks cool)

Darryl: You got something we want.

Sam: Hand over all your golden cards. NOW!

Picture rolls over Armash smiling his evil smile, it ends by Meran who has a dead scary expression

Sam looks into his eyes

Meran looks back

Meran: This won't take long.

Meran rips his beyblade before anyone even reacts

The beyblade flies up into the air and land in the grass right in front of where Sam is standing

The landing causes an explosion of dust smoke

Sam and Darryl cough in the smoke

As the smoke clears a black Beyblade is standing inside a pit as big as a bey-dish, made by the power of Meran's beyblade

Sam looks sweaty and angry

Sam: **thinking** Fuck!

Darryl looks at Armash

Darryl: **thinking** They got that much power? Impressive!

Sam looks sweaty

Sam: Don't overestimate them, Darryl.

Meran makes his beyblade go a little bit closer to him and Armash

Armash scratches his head as he looks at them

Armash: Who are you guys, anyways?

Sam takes up his blade and launcher from his backpack

He puts the beyblade on the launcher as he says

Sam: The name's Sam...

Shows Darryl who puts his blue blade on his gun-like launcher (His launcher looks like Bryans)

Darryl: and Darryl...

Picture zooms out from them and shows both of them ready to rip

Sam & Darryl: Of the Kassatsu Doragons!

Meran's eyes open wildly and psychotically

Armash looks shocked and a bit scared

Meran smiles an evil, very scary, smile

Meran: Interesting

Armash backs off so as to not stand too close to Meran

Darryl and Sam rip their beyblades with all the power they have

Darryl & Sam: Let it rip!

The beyblades fly towards Meran's

They try to attack his beyblade. Both blades fly into Meran's but Meran's blade doesn't move an inch meanwhile both Darryl's and Sam's just fly harmlessly away

Sam's mouth drops open in shock

Sam: No way!

Meran cracks his own neck scarily

Meran: You two have guts...

The picture flies in ultra speed, into his red psychotic eyes

Meran: It shall be my pleasure to cut them out.

==Page 8==

[Sebastian talks to Antonio while someone in Nike clothes stands and watches behind a tree]

The picture zooms up onto the guy's face and it shows up as Noel

Noel cracks a cocky smile as he watches them. He looks like he feels superior

(Flash back)

Someone is threatening the orange haired guy Antonio defeated

He's pushed up against a tree harshly

The guy who pushed him is revealed as Srod

Srod: You better be sure it was Kassatsu Doragons you battled!

The guy looks scared

Orange haired guy: Yes! YES! I swear! Please let me go.

Srod lets him go and escapes, running like hell

There's darkness over Srod's eyes and anger in his face as he looks toward Cliff

Srod: You should have annihilated those guys. What happened?!

Cliff looks confused as to what to say

Cliff: I fought some guy on the way and he was really stro...

Srod: Shut up! You've disgraced yourself AND X-team. I always thought you were the weak link.

Srod looks at Noel who stands behind him

Srod: Find that fat pig and his wimpy team mate and you bring them to the place that Meran was walking to. We'll go there and wait for you.

Noel smiles a cocky smile

Noel: Hmm, won't take long.

Srod looks serious

Srod: Don't disappoint me!

Noel puts his hand on his long black hair

Noel: Never have, never will.

(Flash back ends)

Noel brings out his silver coloured beyblade

Sebastian looks happy and stupid as he brags to Antonio about winning the card

Sebastian: You see how easily I won that card?!

He laughs stupidly

Sebastian: If I'm this great, when that Xaro guy shows up he won't stand a chance.

He brings out the golden card and holds it with two fingers

Sebastian: **smiles cockily** Now let's find Sam and get ready for the tourna...

Suddenly a silver coloured beyblade rips the golden card in two

The beyblade flies back into Noel's hand as he smiles a charming smile (for the female viewers)

Sebastian loses his mind completely and screams

Sebastian: WHAT THE HELL DO YOU THINK YOU'RE DOING?!

He points at Noel

Noel: Well, it could be that I was trying to piss you off, you ugly trash.

Sebastian looks mad and confused

Sebastian: WHAT?! WHY?!

Noel looks cocky ad arrogant

Noel: But than again an ugly brainless piece of crap like you wouldn't understand...
No matter what I said.

Sebastian begins running towards Noel, ready to hit him

Sebastian: THAT'S IT!

Noel dodges the hit and spits in Sebastian's eye

Noel jumps back three steps to get distance

Noel: Too slow. But nowhere near as slow as your ugly empty head.

Sebastian wipes away the spit from his eye and goes for another attack

Sebastian: AHH!

Sebastian keeps hitting and hitting but Noel keeps dodging every attack

Noel makes a turn and begins running but he doesn't look frightened

Sebastian runs after him as he screams

Sebastian: YOU LITTLE COWARD!

Antonio begins to run after them as he calls out

Antonio: Wait for me!

==Page 9==

[The picture rolls over Sam and Darryl whom can barely stand from exhaustion after trying to pull off so many attacks. They are all sweaty and their breaths are hard and heavy.]

Darryl: Okay, it's obvious you're no ordinary blader.

Sam: **angry voice** Who are you?

The picture moves around and looks at Meran's scary face

Meran: **slow dark voice** I am your worst nightmare.

Sam's eyes look mad

Armash's eyes look cocky

Armash: Meran's powers are pretty amazing, huh?

Picture rolls over the three beyblades as Armash is talking (Sam's blade is grey)

Armash: I thought your beloved leader would have told you everything about us.

The picture shows Meran and Armash standing in the breeze looking mysterious

Armash: Meran was Xai-yiu's old rival. For years they fought each other. But sadly the bitch ran off. Hmm...

Shows Sam who looks furious. He has clenched both his fists and his body shakes with fury

Shows Armash looking arrogant

Armash: I heard she left her team to a pathetic little squirt. **laughs** What was his name again? **Scratches his head**

Sam looks all crazy

Sam: SAM BRADDOCK! AHHH!

Sam sends his Beyblade flying towards a rock then aims it at Armash's face.

Before Sam's blade hits the target Meran's blade rises into the air and beats Sam's blade to the ground

Sam's blade seems a bit unstable

Darryl looks shocked and disappointed

Sam looks really mad

Sam: DAMN!

Meran looks very scary

Meran: Hmm... I never thought you would still be spinning after one of my attacks.

Shows Meran's psychotic face from the side

Meran: **loud angry voice** Maybe I went too easy on you; low life.

Shows close up of Meran's eyes

Meran: I guarantee it won't happen again.

Armash backs away from Meran

All of a sudden Cliff and Srod walk up behind him

Srod: There's another oppon...

Armash turns around and looks at them with crazy eyes

Armash: Shut up! You're ruining my Sensei's fun. Stand back!

Armash and the others step way back as if to leave

Sam tries to run after

Sam: **Yelling** You don't go anywhere!

Sam hastily hops back as something invisible rips up a huge hole in the ground right before him within the blink of an eye

Meran looks at Sam with a killer's eyes

Meran: To be Xai-yiu's pupil you sure don't impress me.

Sam's eyes are filled with anger

Sam: Only a fool underestimates his opponent.

The wind blows through Armash and the others as they watch the battle from a distance

Armash smirks

Armash: **thinking** I wonder who's underestimating who.

Shows from behind Armash as he's thinking. You can see Sam's blade trying to attack Meran's without Meran's blade even moving a bit.

Armash: **Thinking** He's talking back to Meran. That's a brave but not very smart thing to do; maybe I should run away from here before things get nasty.

Shows close up of Armash's eyes as the picture fades to black

==Page 10==

[Sebastian is running after Noel like a maniac]

Sebastian: **Sweats and breathes heavily** When are you going to stop running from me you wimp?!

Noel keeps running away from Sebastian and his attacks

Noel: Sorry ugly, I'm always one step ahead!

Noel keeps running through a couple of bushes and comes out in the middle of where the big battle is going on

He runs up and stands by Armash and the rest of his team

Sebastian slowly runs out from the bushes but the sight of the battle stops him from running any further

Sebastian: What's this?!

Darryl looks at Sebastian

Darryl: Sam is fighting harder than ever. He needs our help NOW!

Antonio suddenly comes out of the bushes too

He looks at the battle as Sam's blade pushes harder and harder and to his disbelief it doesn't seem to stand a chance against Meran's powerful black beyblade.

Sam looks more determined than ever

Sam: I may be just an amateur in your eyes; you may even consider me the weakest opponent you've ever met!

The wind blows wildly and fatefully through his long blonde hair as he looks up with a tense expression

Sam: But you can bet..., **clenches his fist** before we are through...

Sam coughs than catches his breath again screaming with all his might

Sam: YOU WILL BE BROUGHT DOWN!

Armash and his team all look as if they can't believe their eyes and ears

Darryl looks all amazed

Sebastian's mouth is wide open

Even Ryan who's lying behind the tree looks a bit surprised

Picture shows Antonio with wide open eyes saying...

Antonio: Sam?

Picture shows Sam's beyblade starting to push Meran's blade back inch by inch

Shows Meran actually looking shocked

Meran: You really talk big, but you haven't seen shit yet. **He looks really angry and cocky**

Sam smiles

Sam: **Yells** I swear by the honour of my Sensei and my team, I SHALL defeat you!

Points at Meran

Shows Antonio all shocked but he looks a bit inspired too

Picture zooms out and shows Sebastian standing ready to put his beyblade on the launcher

Sebastian: It's time to show what we're made of!

Antonio brings out his blade and prepares it

Sebastian puts his beyblade on to the launcher and says

Sebastian: Come on, Antonio.

The picture show's half/half screen of both Sebastian and Antonio launching their blades

Both of them: LET IT RIP!

Their blades land down and take places either side of Darryl's

Sebastian looks at Darryl and says...

Sebastian: Are you ready, Darryl?

Darryl nods and says

Darryl: Yeah, let's do it!

All of them send their blades attacking at once as they scream...

The three of them: ATTACK!

Their blades charges toward Meran's with full force

As they collide with it sparks fly high

They beat Meran's blade a whole 12 inches (30 cm) away

Sam looks at Darryl and the others with a surprised expression on his face

Darryl looks back and smiles cockily

Darryl: Don't worry, man. We've got your back.

Sam smiles back

Sam: Let's get down to business.

Sam looks at Meran with anger and confidence in his eyes

Picture shows a close up of Sam's superior expression as he says

Sam: Maybe you should begin to take this more seriously.

Picture zooms out showing him as a whole

Sam: Cause it seems the table have just turned!

Moves his arm behind his shoulder

Sam: Formation 98!

Swings his arm violently in the air with fire gleaming in his eyes

The four blades take the formation of a square, one at each corner

Sam: Go!

The team: Yes, sir!

The blades begin to spin in a big circle around Meran's black beyblade

Sam: **Calls out** Faster!

Armash looks at them with a bored expression

They are now spinning so fast that it actually looks like a real circle

Picture shows Sam, smiling confidently

All of the sudden Sam's blade comes charging out of the circle to attack

Sam's blade charges super fast towards his opponent

**Just as Sam's blade is about to beat into Meran's with full attack force, all of a sudden Meran somehow foresees the attack and hits Sam's blade before the attack reached his own*

Sam's face strangely gets hit as his blade flies away and slams, harshly, into the ground.

The hit causes a huge dust cloud around the blade, and a bruise on Sam's cheek

Meran looks blood-thirsty

Meran: Not impressed.

**Darryl looks at Sam with a scared yet angry face. Sam is shocked and moves his hand to the darkening bruise.*

Darryl: Sam?!

Darryl gets back into focus and screams...

Darryl: GET HIM!

The spinning beyblade circle accelerates to the maximum and closes in, closer and closer towards the middle where Meran's blade is waiting

The circle begins to shine brightly from its incredible spinning power.

It's just about to close in on the enemy when all of a sudden Sam's blade comes up from the earth beneath the enemy and beats the dark beyblade HIGH into the air

Meran's eye's open up in shock

The blade circle grows bigger quicker as they separate from each other but now they have double the speed of before.

The amazing speed causes a hurricane bigger than a tree in no time at all

The mighty hurricane catches Meran's blade in mid-air and gets a perfect grip on him

Darryl and the others send their beyblades right up with the hurricane before it vanishes.

Picture show's Meran's blade flying helplessly within the powerful wind

Antonio: Kassatsu...

Antonio's blade beats into Meran's

Sebastian: DORAGONS...

Sebastian's blade slams hard into Meran's

Darryl: Ultimate...

Darryl's blade strikes Meran's so harshly that you can see small pieces flying away from it

Show's Sam with a lot much wind and power flowing through him as he screams...

Sam: ATTACK...

Picture shows Meran's helpless blade in the air

The picture flies up into the sky at full speed, shadowed by the sunlight. Sam's blade is charging down with a striking white light

The all-powerful light beam lands right down on top of Meran's blade and forces it down toward the ground with ultimate strength

Sam: FLAME HURRICANE!

Sam's final hit beats them both into the ground with a great explosion

The smash is so loud you can barely hear Meran's friends scream from the ultimate collision

Smoke flies everywhere, even the trees and bushes bend back a little, away from the explosion

Everyone is blinded by the light and they all feel huge pressure from the great explosion

The smoke clears around Sam who stands tall with his arms crossed, looking cool as the breeze keeps flying through him

Sam: Now! Who were you calling a low life, you pathetic squirt?

==Page 11==

[Ryan is lying, looking out a little bit from behind his tree]

He relaxes with a blade of grass in his mouth

Ryan: **thinking** Groovy!

He smiles his good old stupid smile as usual

Ryan: **Thinking** This grass sure tastes good, and to watch the...

Ryan: **Thinking** Ehh...Kassatsu Doragons' special attack sure was a trip! **Yawns**

(Trip = unusual experience)

Ryan: **Thinking** To think that Sam could dig through the ground like that without a bit-buddy. **Smiles**

(Bit-buddy = bit beast)

Ryan: **Laughs to himself** **Thinking** His spirit power sure must be huge. Two words for you, Sammy boy; daddy likes!

Ryan: **Thinking** I really should stay awake to see how this ends...**scratches his head**

Ryan yawns and scratches his belly as he looks really sleepy

Ryan: **thinking** But that is if I CAN stay awake. **Yawns again**

He giggles to himself

==Page 12==

[The picture shows Sam in front of the huge smoke cloud that hasn't yet cleared]

Show Armash and the others all looking shocked

Srod brings out his beyblade and yells...

Srod: You...

Armash makes a signal with his hand and Srod stops immediately

Armash expression changes from shocked to angry

Shows Darryl with a serious face

Shows Sebastian and Antonio looking serious too

The smoke slowly, very slowly, disappears

Sam hears a spinning sound from the direction where Meran stood. Sam carefully takes a step back

He looks a bit surprised

Sam: Could it be?

The smoke finally clears as he's first to see Meran's face

Meran begins laughing like a psychopath; the laugh is so scary it makes your skin crawl.

It shows off that Meran's blade is STILL spinning but is very unstable

Shows Armash with psycho eyes, and an evil smile

Armash: It can't be!

Meran's blade restores itself as if the hit were nothing. It now spins flawlessly with perfect balance

Antonio looks frightened

Antonio: **thinking** B-but how?

Sebastian looks confused

Sebastian: **Thinking** Some power!

Darryl looks sweaty and nervous

Shows Meran's blade spinning

Meran's eyes look like something from a horror movie as he laughs to himself

Meran: Very good, you surprised me Sam Braddock. Your act was perfect, but it seems you're a low-life after all... Any skilled beyblader knows never to give his all in the beginning of the match.

Sam looks at Meran with all his hatred

Sam: Don't worry I'm just warming up...

Shows Meran's blade as Sam's blade flies up from the ground behind

Sam's blade is poised to attack but Meran's blade moves away faster than the eye can catch

Sam's blade lands far away from the target

Picture rolls up (super fast) showing Sam standing in a shocked state.

Picture shows a close up of Sam's face

Sam: **Thinking** He's that fast?

In a second, Darryl's blade is flying towards Meran's (it was remaining covered by some left-over smoke)

Meran notices the attack and quickly and easily hits Darryl's blade away

Picture rolls in from the side and shows Darryl all sweaty and breathing heavily.

Shows a close up of his face

Darryl: **thinking** So close!

Sebastian steps forth with his right foot

Antonio casts an eye towards him

Sebastian shows a two fingered sign behind his back

(Two finger sign = Formation 2)

Antonio carefully nods

Their two beyblades split up and go into a reverse circle and spin around Meran's blade for a short while, then attack from both right and left

The attack hits but the two blades just fly away without causing any harm to Meran's blade

Picture shows Sebastian looking stunned, with Antonio in a similar state behind him

Close up of Sebastian's face

Sebastian: **thinking** That freaking bastard didn't even move. How are we going to fight a guy like THIS?

Shows Meran slowly lowering his hand as he says

Meran: **Dark and very scary slow voice** Only a fool underestimates his opponent.

Darryl's skin shivers out of fear as he seems to be finding it harder and harder to breathe

Sam raises his hand and screams

Sam: YOU UNDERESTIMATED ME!

Sam: Formation 61!

Darryl and Sam's blades begin to spin up a smaller hurricane once more

They both go directly along with the wind and fly to the top

They beat down to the ground at full force and land to the front and back of the enemy causing a big dust cloud surrounding the three of them

Within the smoke there are small cutting lights with blade cutting sounds to them

Sebastian and Antonio's blades enter too, and you hear them hitting their target

The four team-mates' blades stop attacking and wait for the smoke to clear

Sam smiles cockily

The smoke clears and shows Antonio's and Sebastian's blades spinning in a very unstable state

Sebastian gets a shock

All the smoke clears, Sam and Darryl are still perfectly stable but to their surprise, so is Meran's

Sam's eyes open wide

Sam: W-what?!

Shows Meran from the side

Meran: You begin to bore me.

Shows Sam

Sam: YOU ASSHOLE! How can you just stand there without taking any damage?

Meran looks furious

Meran: I thought you were good. But to my disappointment you're nothing more than yet another unworthy life-form!

Sam and the others realize what's about to happen and bring their beyblades closer to them.

Meran's beyblade charges ready to attack

Meran: Allah Hoackbar!

Kassatsu Doragons beyblades gather together to defend as one as they get pushed further and further back but then...

Their defence succeeds as Meran's blade flies backwards after the attack

Sam looks proud of his team

Sam: Looks like your attacks aren't that strong after all.

Picture is rolling above them as Meran laughs psychotically

Sam: What are you laughing at?!

Meran: **Scary voice** At the thought of cutting your eyes out...

Meran raises his hand into the air as he says...

Meran: And keep them as a souvenir till I face your sensei again.

Meran: ALLAH HOACKBAR! **Hits his hand down**

His blade is about to attack but then it rises though the air and lands on top of Sam's blade

Meran's blade jumps into the air aiming at Sam's eye (Sam's beyblade goes out of balance as Meran's blade jumps from it's top)

The blade is just about to hit Sam's eye as Sam moves his head to the left real quick.

Meran's blade lands a little bit behind Sam

Sam looks shocked at Meran's madness

Meran's blade charges towards Sam's foot but Sam jumps to the left before the blade hits him. Meran's blade charges ahead beating away all the blades that stood before him like they were nothing

All of them keep on spinning, but they sustain huge hits.

Sebastian looks at Meran as he thinks

Sebastian: **Thinking** That guy is crazy!

Meran does a hand sign

Sam is thrown back harshly, into the tree behind him and falls to the ground

Darryl calls out...

Darryl: SAM!!!

Meran has eyes even more psychotic than earlier

Meran: You don't deserve your lives. It's my god given right as a superior individual to kill you all.

His eyes glint with a red light

Meran: Your lives belong to me!

All of a sudden Darryl feels a strange pressure at his chest

Darryl: **thinking** What's this battle turning into?!

Darryl puts his hand on his chest with terror in his eyes

Armash smiles and look at them with psychotic eyes

Armash: **Thinking** I wonder if these low-lives are ready for their grand finale?

==Page 13==

[Ryan lies on the other side of the tree with wide open scared eyes.]

Ryan: **thinking** Sam?!

Picture rolls from Ryan's side to Sam's

Sam lays there, in the shadows of the tree

He looks dead, as a drop of blood leaks from the side of his mouth

Darryl and the others look with fear upon Sam

To everyone's shock Sam raises his right knee and slams his foot into the ground HARD

He puts his right hand on that knee to help him stand as he says

Sam: Is that all? **Smiles**

Darryl and the others' eyes open wide

Meran looks furious

Sam smiles a cool smile with darkness over his eyes as he raises his shaking hurting body; fighting the pain he says

Sam: Well that was nothing!

He wipes away the blood

Sam: What are you waiting for guys! Let's bring in our everything! **He looks mad**

He clenches both his fists as he screams.

Sam: ATTACK!

Darryl and the others smile cockily, inspired, and get back into the battle again

Antonio swings his arm

Antonio: Go!

Sebastian screams as he balls his fist

Sebastian: Attack!

Darryl smiles cockily

Darryl: All at once!

All four blades charge forth together, and, with all their power, they go for the attack

Meran's blade dodges and attacks it's opponents easily but the Kassatsu Doragons continue trying to attack even though it appears pointless.

Sebastian looks pissed as he thinks

Sebastian: **thinking** There's gotta be some way to beat him!

Meran looks annoyed

Meran: **Speaking loudly and slowly with a dark voice** Is this all that remains of the once SO powerful Kassatsu Doragons?!

The bey-battle rages on beneath, with the good guys' constant attempts to attack Meran's blade

Sam's beyblade had been beaten away and now emerges from beneath the ground but Meran's blade backs away and Sam's blade accidentally hits Sebastian's

Meran beats away Sam's beyblade again and it flies away, the landing causing another of those dust clouds

Meran looks mad

Meran: **Loud, psycho voice** Oh why? Why must you be so unoriginal?!

Meran's blades beat down onto the ground, then cuts down into the scarred earth

Suddenly it's flying up from beneath the ground hitting Sam's beyblade into the air

Sam's blade lands in a very unstable state

Meran's blade lands perfectly

The picture rolls over Meran's psychotic eyes

Meran: **Dead scary dark voice** I'M TIRED OF PLAYING AROUND!

His beyblade charges after the others in Kassatsu Doragons

His blade beats Antonio's to pieces

Than Sebastian's

Then he finishes off Darryl for good

One by one they begin falling to the ground in huge pain

Darryl and the others scream from the unbearable pain

Darryl: IT HURTS!

Sam's mouth opens wide as he looks at them and yells

Sam: **Loud** Darryl? Guys? What's wrong?!

Darryl struggles to his feet as he has blood coming from his mouth

Darryl: Sam, run... RUN!

Sam looks at Meran as he screams

Sam: What are you doing to them?!

Meran laughs psychotically

Meran: My bit-beast's powers are slowly tearing down their muscles.

The picture rolls over Darryl and the others struggling to get up

Meran: In time its power will begin to tear down organ after organ and then kill them.

Sam looks scared

Sam: W-what?!

Meran looks like the devil himself

Meran: I've got to admit; I always wanted to kill Xai-yiu. But now, since she's not here, I have to kill what still remains of her and I'll begin with you!

Picture zooms in on Sam's frightened eyes

==Page 14==

[Meanwhile, as Sam is battling on the other side of the tree, Ryan is lying quietly behind it, as he's feeling worried, sad and somehow guilty]

Ryan: **thinking** What should I do?

Ryan: **Thinking** I know I've been a bother for them, for him.

Ryan looks really sad

Ryan: **thinking** But then... But then...

(Flashback)

Shows Sam's mouth as he speaks

Sam: Ryan has been on this team longer than both you and me. Besides my sensei he's the only one who was on this team when it all started. I know it's stupid to keep such a weak blader, but I gave my word.

Shows Ryan behind the tree looking disappointed

Sam: By the way, in some weird way...

Sam starts walking again

Sam: I think he's kinda cool.

Ryan's eyes open wide in shock

(Flash out)

Ryan: **thinking** For the first time... Ever since Xai-yiu's time someone actually respected me, someone actually believed in me, even though I'm a lazy asshole, who never won a battle in front of him and even though I've been the biggest drag of the gang...

Ryan: **thinking** ...he actually believes in me.

Ryan: **thinking** I remember that Meran. He will kill Sam for sure.

Ryan: **thinking** But if I step out chances are I'll get killed too. I dunno how much stronger this Meran guy is.

Brings out his pink beyblade and looks at it

Ryan: **Thinking** But can I really just lay here and let Sam and the others die?

He bites together

Ryan: **Thinking** I must make up my mind before it's too late...

Ryan puts his finger above the bit chip and whispers to himself

Ryan: **whispers** How many years has it been since I brought you out, old friend?

The middle of the chip is all brown and empty, but Ryan puts his nail on it and begins scratching

The corner of a picture appears but then the SCREEN picture shows Ryan's face as he smiles

Ryan: **Thinking** What do you say, old pal?

Smiles his good old drugged smile

==Page 15==

[The wind is blowing violently through Sam and Meran as they stare each other down]

Shows Meran's crazy expression from the side

Meran: So what do you plan to do now?

Picture rolls over Darryl's shaking body, his eyes are wide open and he's cramping up

Meran: You're tired and ready to fall at any moment.

Picture rolls over Sebastian who's in the same condition

Meran: I could have killed all of you from the very start.

Shows Antonio cramping with tears flowing from his eyes

Meran: I could just make your heart explode but that wouldn't be nearly as much fun.

Sam stands there in shock

Sam: **Slowly** I don't care what you say. I don't believe you.

Sam bites his teeth together

Sam: I gave my word...

Shows Sam's beyblade spinning

Shows the left side of Sam's head as he looks at Meran

Meran: But I can still show mercy. If you break that word and give up I promise there will be no pain for you or your comrades.

Sam looks disappointed

Sam: No pain as you kill us, eh?

Picture shows Meran as its quiet for a while, then he says

Meran: I hate unthankful people.

He makes a small movement with his hand

Meran: Your time is up...

Sam stands silent in shock

He slowly opens his mouth as drops of blood slowly come out of it

Sam falls to his knees

Than he falls down completely as his body shakes uncontrollably

It is silent, then his right hand grabs hard onto the grass

He looks up raising his head slightly with a dead angry yet scared expression

Sam: **thinking** This can't be the end!

Sam coughs up some blood then thinks

Sam: **Thinking** NO! This is not the end. No opponent is too strong to be beaten.

Sam tries to get a hold of himself and rise up even though it's pointless

Sam: **thinking** All I've got to do now is keep going till the battle is over...Or till I am over. One way or another...

He manages to collect up enough power to scream

Sam: THIS ENDS HERE!

Meran makes another hand sign

Meran: You're right; it's time for you to die, Kassatsu scum!

Meran's blade charges towards Sam's face again to cut his eyes out

Sam manages to raise his hand and through that send his beyblade for attack

Too his surprise Sam's blade hits Meran's blade out of its course.

Picture flies towards Meran's face that's all in shock

Sam's blade charges towards Meran's to knock him out

And to a huge surprise Meran's blade gets a huge hit

Armath and the others quietly stand all stunned

Sam is breathing heavily as he sends his now unstable blade to spin right in front of him and protect him

Meran smiles evilly

Meran: Your courage is admirable. No one has ever managed to attack me like that.

He turns around like he's going to walk away

Meran: Xai-yiu taught you well. Maybe I won't kill you after all.

Darryl is lying on the ground sweaty, and white as a ghost, as he shakes uncontrollably

Darryl: **thinking** Sam...

Meran slowly begins walking away

Meran: Maybe I will just execute you.

He raises his left hand as he stands with his back towards Sam and the others.

Sam's eyes open wide

Picture is rolling over Meran as he says

Meran: X-Team, cut him to pieces, NOW! **Snaps his fingers**

Armash and the others looks shocked

Armash: Y-yes sir.

They slowly walk forward

Srod and Cliff take places by Meran's left shoulder

Armash and Noel take places by Meran's right shoulder

They all prepare their beyblades

The picture rolls over Meran's psychotic eyes

Meran: Just get this over with!

The picture show's all four of them as they rip their beyblades and scream

X-team: In the honour of X-TEAM!

All their blades charge towards Sam's head

Sam closes his eyes but then he suddenly hears a big smashing sound

He opens his eyes and there it is...

A pink beyblade is holding ALL FOUR of the X-teams' beyblades back.

Sam's eyes open wider than ever

Sam: **thinking** That beyblade...Impossible.

Meran turns all mad and psycho with wide open eyes and screams with all his anger

Meran: WHO?!

Picture shows the four blades slowly getting pushed back by the pink one

The picture flies up to the tree where a guy covered in shadows is standing with his back facing them and his hand on the tree.

Meran takes a step forth with an insane expression on his face

Meran: YOU! WHO ARE YOU?!

The guy turns his head more towards the light and looks at them. His eyes are covered by the shadows but his mouth shows clearly. His long dirty blond hair is flying wildly in the air as he smiles and says

The guy: The name's Ryan... Kassatsu's best!

Picture shows Ryan's face as it fades to black

To be continued...
