Introduction

Meran takes a step forth with an insane expression on his face

Meran: YOU! WHO ARE YOU?!

The guy turns his head more towards the light and looks at them. His eyes are covered by shadows but his mouth shows clearly. His long, dirty hair is flying wildly in the air as he smiles, and says...

The guy: The name's Ryan... Kassatsu's best!

The picture shows Ryan's face

Meran's eyes fill with anger and surprise

Meran: No way! Ryan?! ... STEP OUT OF THE SHADOWS!

The pink beyblade beats away the four blades and all of X-team's members (besides Meran) step back in amazement

Ryan's blade whips up to full speed as smoke emerges from it. Dust rises into the air caused by the powerful rotation

The picture shows some leaves on the ground as they rise up and hover before Ryan, whom now stands facing his opponent

Ryan looks unbothered and happy

Ryan: **Thinking** Oh wow, the flower by those bushes sure looks groovy.

Meran looks furious because Ryan doesn't seem to be interested

Meran: I SAID STEP DOWN, YOU PATHETIC LOW-LIFE! YOU'RE GOING TO FIGHT THE NUMBER ONE BLADER IN THE WORLD!

He thumps his fist on his chest, hard, as if it he were reciting a proud speech

Ryan turns away from the flower and looks at Meran with a curious expression, as he scratches his head

Ryan: Huh?... Okie dokie! **smiles drugged smile**

The wind lashes the tree tops violently

As the wind wildly gusts through the grass the picture shows Ryan's blue Converse (Shoes) with yellow laces. Pebbles and dust clouds rise into the air as he walks towards his opponent.

Ryan: **Talking slowly (sounds bored but cocky)** Very well Mr. Number One... Let's get it on!

Picture flies up to his, now, serious face

==Page 1==

[Sam is lying defenceless on the ground as he thinks]

Sam: **Thinking** What is this? The pain... it's all gone.

Picture shows Ryan's leg in front of Sam

Sam: R-Ryan?!

Ryan: Your pain is out, no worries, man. You're no longer in danger.

Sam lays his hands on the ground and tries to push himself up but screams out in agony

Ryan looks serious

Ryan: Stop that, dude! You can't fight in your condition.

Sam looks up

Sam: But I have to keep my word and BEAT this guy!

Ryan: Don't be hung-up. Keep it till later and live another day.

Sam: But...you can't fight that Meran guy! He'll destroy you!

Ryan turns around with a smile

Ryan: Sock it to me. Just crash in the grass and build up your aura! I'll do what I can.

Looks out with a drugged expression

Armash turns his head towards Meran with a curious expression on his face

Armash: Sensei? Who is this wimpy fag?

Meran looks at his apprentice with hatred burning in his eyes

Meran: Why do you ask me?

Picture shows Armash

Armash: Cos' it sounded like you know `im.

Meran chuckles quietly and scarily to himself

Meran: I knew him... but he's completely worthless. He was an old friend and team mate of Xai-yiu. But he never won; not even once. All he's good for is sleeping, so

you might as well put him to sleep FOR GOOD! **looks scary**

Armash' eyes open wide as he laughs psychotically through the stillness, before moving his gaze towards Ryan

Armash: **smiles** My pleasure...

He raises two fingers and closes his eyes

Armash: Lucid Nightmare!

A black aura builds up around Armash' brown/orange blade, which is incredibly scary looking with razor blades attached to the attack ring

Armash' eyes spring open

Ryan is taken aback

Ryan: What the..?!

The surrounding area around Armash and Ryan turns pitch black

Armash stands looking psycho, cackling quietly to himself

Ryan looks thoughtful

Ryan: **Thinking** So, this is the dark light that reflects his heart...

The surroundings morph into a dark beach edged by a sea of blood with palm trees ablaze on the horizon

Ryan looks awed

Ryan: Far out!

Armash looks at Ryan hatefully

Armash: I know what you're thinking and yes... our spirits are within the deadly dimension of my bit. **Raises his hand**

Ryan looks surprised

Ryan: I know...

Armash: Then enjoy the sight, cos' it will be your last. **Balls his fist in a defiant gesture**

Armash looks at Ryan with a blood-thirsty expression

Armash: Your time is at an end, maggot!

Armash moves his balled fist down and slowly lays two fingers atop it

Armash: Fatal mind!

He makes a sign with his hands

Ryan's eyes open wide as he screams out in pain

Ryan: AHFFF!

Armash laughs

Armash: Ya brains will be all over the place before I'm finished!!!

Ryan puts his hands on his head and falls to his knees as he screams out in anguish

Sam: RYAN!

Ryan bites together as he remembers something

Picture shows the ground at his knees as he slams his fist hard into the ground

The picture shows Ryan's blade bashing against Armash's blade far away (the blades are in the normal dimension)

Ryan is on his knees as the surroundings change from black to what it was before

Armash stands... stunned (Normal world)

Armash: No way! You just got lucky...

Ryan looks up with a cocky smile

Ryan: **Speaking slowly** The one that knows of the psychedelic can also break it.

==Page 2==

[Darryl slowly looks up, his eyes are wide open in shock (obviously now conscious)]

Darryl: **thinking** There's no way...

Armash starts to look nervous

Armash: What the hell do you mean by psychedelic?

Ryan smiles his good old drugged smile as he rises and says...

Ryan: **Really fast** Psychedelic is an adjective of/or related to a mental state characterized by a profound sense of intensified sensory perception, sometimes accompanied by severe perceptual distortion, hallucinations, or extreme feelings of euphoria or despair... **breathes then talks slowly** and it can also mean you're high.

Cliff laughs as if he's mocking Armash

Cliff: Looks like you're done for, Armash. **laughs**

Armash clenches his teeth and stares at Ryan

Armash looks insane as he screams

Armash: You're dead!

A huge bit-energy charges towards Ryan tearing at the ground beneath it as well as destroying anything that gets in it's way

It charges so fast that no one sees the exact moment when it hits Ryan and explodes into smoke

Picture zooms out from the smoke and shows Armash

Armash: **thinking** That should have done it!

Armash looks confident

Meran looks mad

Meran: **thinking** What kind of idiot uses an attack like that; just to kill a bug like Ryan?

The smoke clears and shows off Ryan standing with his hand straight out, palm forwards. He is wearing a happy, stupid expression

Shows a half way split of Darryl and Sam watching from the ground wearing shocked expressions.

Meran's eyes open wide in shock

Armash looks shocked but also scared

Armash: Impossible! That little worm stopped my attack with just his bare hand!

Shows Ryan with the wind clutching at his clothes as he brings his hands together

Ryan: **Claps his hands and laughs** Golly, what an attack. I never thought this would happen but I may have to actually battle.

Ryan yawns and stretches in a lazy gesture

Ryan: **Thinking** Gee, talking this much makes me tired.

X-team look furious as the picture rolls over to them

Srod: Who the hell do you thi...

Meran: **Dark scary voice** KILL HIM! OR PAY THE PRICE!

Cliff raises his hand

Noel smiles charmingly

Noel: With pleasure...

Armash: **Yells** Finish him!

The four X-team blades charge towards Ryan's (Meran's blade just stands spinning in the background. Meran doesn't care to interfere)

Srod: **Screams** Curse of Hate!

His white blade smashes hard into Ryan's

A small wound flicks across Ryan's cheek

Noel: You'll pay...

Cliff's red blade and Noel's silver coloured one cut around Ryan's blade, spinning around it and causing sparks to fly high

Cliff smiles cockily

Cliff: You'll pay for mocking the...

Armash opens his eyes wide, more furious than ever

Armash: ...FEARSOME X-TEAM!

Armash' blade pounds hard into Ryan's as small pieces of it are broken off

**Ryan falls to his knees and a trickle of blood slides down from the side of his mouth*

*as he bends over**

Meran smiles evilly

Ryan coughs

Sam looks worried as he watches his friend suffer

Sam: RYAN!!!!

[Darryl's eyes are fearful and he shakes as he tries to rise, unsuccessfully, to help]

Darryl: Just leave, Ryan! All of us don't need to die.

Darkness covers Ryan's eyes as he runs out of words

Sam: You can't beat the four of them, as well as MERAN!

Shows Sam lying on the ground, screaming out loud to save his team-mate

Sam: YOU MUST RUN WHILE YOU STILL CAN!

Ryan looks disappointed as he stares at the ground

He turns his eyes toward the flower and smiles

Armash' blade slams once more into Ryan's

Armash: ATTACK ME!

The savage blow causes a gash to be ripped across Ryan's shoulder

He keeps concentrating on the flower but sadness washes over him as he remembers something

Ryan: **Thinking** Xai-yiu...

Ryan hears an evil laugh as he looks back towards the enemy

Meran is laughing like a psychopath

Meran: What's the matter? Are you too afraid to fight back? Aren't you gonna save your pathetic friends? Attack now, you coward!

Sam: RUN!

Ryan looks furious

Ryan: NO WAY!

Shows Darryl looking bewildered

Darryl: What?!

Ryan's left foot stamps down hard on the ground and he puts his hand on his knee

Ryan: Is that all the faith you have in me?!

Sam's eyes open wide

Ryan is rising up again with darkness covering his eyes

Ryan: Did you think I was kidding when I said I could take this?!

He reaches his right hand out into the air (towards the right side)

Ryan: I said I would do what I can...

He stretches out his left hand in the same way (towards the left side)

Ryan: You think that that is ALL I can do?

**He opens his eyes and stares intensely as he rises and a look on his face that he's never shown until this very moment... Determination! **

Ryan: Then lay back, shut up and check the scene. I'm about to do EVERYTHING I can!

==Page 3==

[Picture is rolling over Meran who's laughing psychotically]

Meran: You can't win! Only one can remain undefeated, and that's ME!

His eyes glow with a bloody red colour

The rest of X-team looks frightened

Picture roll over Ryan who looks cool and focused as he raises his hand

Ryan: **Speaking calmly and slowly** It's cool to see you're happy...

Shows Ryan's blade being pushed back by the four X-team blades

His pink beyblade builds up a white aura around it

Ryan smiles a COOL smile and says

Ryan: Are you watching?

Armash looks surprised

Ryan is looking very cool with the wind gusting around him frantically

Ryan: You'd better be... Cause HERE I GO!

He slams his hands together and screams out loud

Ryan: ATTACK!

Ryan's blade moves back and around the four blades before they even blink

The pink blade is charging forth faster than lightning

Meran's eyes open wide in surprise

Meran: **thinking** NO WA...

Meran jumps to the right fast as hell, as does his blade; the blade barely escaping being hit by Ryan's

**The four blades hunt their opponent at full speed but they are nowhere near as fast as Ryan's **

Shows Meran standing looking stunned

Meran: **Thinking** There's no way! Out of all the thousands of bladers we've defeated NONE of them were able to achieve THIS.

Meran begins to sweat

Meran: **Thinking** This guy... Could he really be what I think he is...

Sam looks in awe of Ryan's abilities

Sam: There's no way...

**With burning grace Ryan's blade carefully leads them towards one of the pits/holes Meran made in chapter 3 (with his blade of course) **

**They follow him into the pit and as it's extremely deep, Cliff's blade doesn't manage the climb back out as it's the heaviest of the blades. **

Armash gets angry

Armash: Fuck you, Cliff!

**Ryan's blade heads into another oval-shaped pit with X-team's blades right on his tail. **

Srod screams out

Srod: I've got you now!

**Srod's blade (which was ahead of his team mates) charges to attack Ryan's blade. But it's too hasty and overshoots Ryan's blade ending up in the wall of the pit instead. The other's don't notice and blindly continue the chase.*

Half screen between Sam and Darryl as they look on in amazement

**Noel's blade careers out of the pit, unable to stop himself in time after a quick direction change by Ryan, and into the other pit where Cliff's blade is waiting. Noel's blade lands a direct hit on Cliff's. **

Cliff's eyes open wide

Cliff: **Thinking** Amazing!

Ryan's blade is attacking Armash' blade from behind so that it beats back into Srod's, so that Ryan can slip out of their range

Armash and Srod's blades change direction and go after Ryan's

**Cliff and Noel finally escape the pit and head after Ryan. Ryan's blade is trapped but it manages to sneak towards the edge of the pit and out just in time before the four blades would have hit him. The four team members collide with each other creating huge sparks. **

==Page 4==

[Shows Sam as he thinks]

Sam: **Thinking** Is this really THAT Ryan?! What about all those years he spent losing; acting stupid... During all that time...

Shows Ryan's blade as X-team hunts him

Sam: **thinking** He was actually a genius...

Sam: **thinking** He might be better than me... He might be better than Xai-yiu...

Shows Ryan raising his hand in a cool pose as the picture zooms closer and closer towards his face

Sam: **Thinking** Who knows? At this rate... Maybe he IS the best!

Ryan lowers his hands down into his pockets

The four X-Team blades try to attack but Ryan's blade dodges every single little attack, neatly and easily

The picture rolls over the worried X-Team members

Meran looks scary as his blade hasn't even intervened in the battle yet

Meran: **Dark and slow** You plan to beat us by running, you low-life?

Picture rolls around and shows Ryan standing looking bored, with his hands still in his pockets and his eyes closed

Ryan: I don't really care about beating a gang of hang-up jerks.

Srod goes mad

Srod: SAY WHAT?!

Ryan's blade stops to face the four-way attack of the X-Team

Ryan: But to stand back and let my buddies die, just ain't my style...

Ryan open his eyes and smiles stupidly as, at a hitting sound, a great light emerges and vanishes hastily

Ryan: So let's do this!

His pink beyblade steadily pushes forwards and holds all four X-team blades at bay.

X-team stands back in disbelief

Meran smiles evilly

Meran: **thinking** My followers are ten times as strong as his team mates, yet he can hold them back...

Meran: **Thinking** No wonder Xai-yiu valued him so greatly. But to think that he'd be at THIS level!

Meran laughs out psychotically

Meran: I'm going to have a great time killing you!

Ryan looks sad as shadows cover his eyes

Ryan: Only a moron kills for fun...

He looks up with fire blazing in his eyes

Ryan: I don't dig that!

Meran goes mad and yells out

Meran: I've had it!

He turns around and begins to walk away

Armash looks in Meran's direction with a scared expression.

The four X-team bladers quickly edge backwards as they realize what Meran is about to do

==Page 5==

[Ryan looks confused as he slowly begins to walk forward because he's NOT gonna allow Meran just walk away]

Meran turns around (now far away from Sam and the others)

He balls both fists as he lets out a primeval scream

A black aura builds up around Meran's blade.

Shows Meran behind his beyblade

Meran: **Pulls his fists down** I summon you, MAHDI!!!

A GIANT light beam is released from Meran's blade; bathing the ENTIRE area in light!

Ryan is in shock as the release of this power blasts him away and everything around them turns to white from its incredible power

The screams die away away as the white light begins to fade

Darryl sees that Ryan has been flung back to almost where he is lying. Sam just looks ahead without a word

Darryl: RYAN?!

Darryl looks at Sam

Darryl: What's wrong with you? Why aren't you reacti... **He slowly turns his head towards the enemy**

A look of complete terror spreads across Darryl's face as Sam utters...

Sam: No way...

The big dust cloud before them clears and shows off something completely unexpected

There's a giant grey monster standing before them; 5m/15 feet tall and skinny with long arms, legs and claws. Its big red eyes are the size of plates; its fangs are the size of daggers and it has curved horns on each cheek, which point towards a big jaw. It has another horn on its back that points forth looking almost scorpion-like.

The picture rolls over the giant creature

Meran: You have speed, far more than I ever expected from you.

The "good guys" are in a state of terrified shock

Meran: But still...

Meran stands tall and dark

Meran: That's all you have and its all you'll ever get. You're finished!

Smiles evilly

Ryan lies on the ground looking sad as a dark force gathers around his neck

The force begins to strangle him, and lifts him into the air spookily

Meran laughs out loud as a tiny tear spills from Ryan's eye as the feeling of failure washes over him

Ryan: **Thinking** It can't be?!

Meran looks psychotic as his deadly beast breathes heavily in its lust for blood.

Ryan: **thinking** How could I forget?

Meran smiles widely and psychotically

Meran: How pathetic, you poor thing! Too think that you would be stupid enough to waste away your life just for an insignificant little brat you hardly even...

A big smashing sound comes from beneath and Meran looks down with a jolt

Ryan falls to the ground managing to land unsteadily on his feet.

Sam's blade had charged towards Meran's and hit it, in order to break Meran's concentration.

Sam catches his blade as he half sits, smiling a cocky smile

Sam: Hmm looks like you just got hit by a brat...

Meran looks furious

Meran: How dare you?! You'll all die!

Shows Ryan wiping away the dirt on his shirt, than looking forth towards the enemy

Ryan: How dare YOU... How dare you ignore me?

Meran laughs

Meran: Did I allow you to speak your mind? Did I allow you to live? NO! ALLAH ACKBAR!

A dark force grabs Ryan's foot and begins to swing him around high up in the air, violently

Sam and Darryl look shocked. Ryan looks pained

The force slams Ryan hard into a tree causing leaves to slowly sail down towards the ground before him (looking fateful).

Darryl and Sam look with fear upon Ryan, then turn to look at Meran.

Meran smiles psychotically as he thinks

Meran: **Thinking** One dead, four more to go...

Sam looks shocked, sad and angry

Meran: Don't waste your breath... That was the final blow; your friend is at an end. It's a shame, he was the most worthy opponent I've had for years.

Sam's eyes open wide

Sam: There's just no way...

Darryl is barely able to contain his rage as he tries to lift his aching body off the ground

Darryl: YOU ASSHOLE!

Meran looks at them with blood lust filling his eyes

Meran: Don't worry, you'll soon join him in hell!

==Page 6==

[Picture shows Ryan lying under the tree quietly]

The wound on Ryan's shoulder is shown, as blood flows freely from it. (He got the wound whilst fighting Armash, you should read more carefully if you didn't notice)

The picture shows Ryan's face but all of the sudden... a drugged smile emerges on his lips

Ryan start to laugh out loud

The Kassatsu Doragons look really surprised

Shows a stunned Armash standing FAR away from the battle

Armash: **thinking** What the hell?!

Meran's eyes open wide

Meran: **Thinking** It's impossible!

Ryan begins to rise, laughing

Meran looks scared

Meran: **thinking** He can't be alive, I killed him. WHY IS HE RISING?!

Shows Ryan standing, breathing heavily as he smiles

Meran is in shock

Meran: **thinking** There's no way!

Shows a HUGE, white aura building up around Ryan

Meran's eyes are filled with fear

Meran: **Thinking** Unless...

The big cut on Ryan's shoulder knits together within seconds as if it had never even been there

Meran begins to sweat and look as if he fears for HIS life

Meran: **Thinking** ...he is what I think he is...

Ryan smiles as he begins to walk towards Meran

Ryan: Far out! That was heavy.

The entire world around them begins to go blurry from the powerful bit energy within Ryan's blade

Even Sam looks scared

Sam: W-what is this?!

Meran looks surprised

The rotation of Ryan's blade causes violent winds within the trees, leaves and grass. Twigs and branches are ripped away and flung across the grass

Ryan now stands before Sam and Darryl again, as if nothing even happened

He looks at the ground (darkness covering his eyes) and smiles

Ryan: I think it's time, old friend!

Meran turns mad

Meran: What an insult!

Ryan looks up

Ryan: I wasn't rapping with you, jerk!

A spot on Ryan's forehead begins to shine brightly. The aura around him builds up bigger than ever, it's HUGE and a little bit frightening

Ryan: You know I remember something, a promise I made to Xai-yiu. I was chosen as the ultimate weapon and protector of the KASSATSU DORAGONS!

Meran is sweating bullets

Meran: **thinking** He really is?

Meran: You're ready to throw your life away for a worthless student who left you behind years ago? Then I'll be happy to accommodate you!

Sam's eyes open wide

Sam: Student?! **mouth opens wide**

Darryl looks surprised

Darryl: Ryan was Xai-yiu's sensei but that means...

Meran's eyes open wide as he sees Japanese (tattoo-like) marks growing out across Ryan's forehead and cheeks

Sam: That means he's the strongest Kassatsu EVER!

Meran: **Screams out in fear** HURRY X-TEAM! KILL HIM! KILL HIM NOW!

Ryan's blade shoots forward and bats away Meran's blade as if it was nothing

Ryan smiles

Ryan: Come on, number one! We're far from done...

His beyblade builds up an aura too

All four X-team members (Besides Meran) try to attack Ryan's blade but the attacks just bounce harmlessly off of him

Sam looks completely amazed

Sam: There's no way...

Ryan smiles

Sam: After all these years...

A light beam comes out from Ryan's blade

Sam: He had a bit beast all along...

==Page 7==

[The picture shows Meran sweating, looking nervous]

Picture shows Ryan raising his hand to the sky

Ryan: Come on out, old friend.

Shows Sam lying in the grass with a surprised expression on his face

Sam: **Thinking** If Ryan is THAT strong, it means...

Shows the aura around Ryan's blade increasing

Sam: **Thinking** His bit beast must be the strongest around.

Shows Sam looking inspired

Sam: **thinking** I bet it's a dragon...

Shows a white paw with claws reaching out from a white background

Sam: **thinking** A tiger?!

Shows white fur waving dramatically in the breeze

Sam: **thinking** A wolf?!

Meran's eyes open wider than ever before

Shows Ryan looking cocky and cool as he swings down his hand saying

Ryan: I summon you...

Picture shows the eye of the bit beast opening and the picture begins to zoom out

Sam: **Screams** A BUNNY?!

Picture shows a big fluffy bunny with tired eyes and long white fur

Ryan: MR. BUGGLES!

Sam looks insanely crazy

Sam: A BUNNY!

Sam loses it and tries to stand in madness

Sam: **Screaming real fast** YOU FOOL! YOU'RE THE WORST BLADER EVER!

He realizes he's still injured and falls down screaming...

Sam: AHH!

Ryan smiles widely as he sees his old "bit-buddy"

Ryan: BUGGLES!

He runs forth like a retard and hugs his bit beast

Ryan: **Stupid voice** Come to daddy, you cuddly little bugger.

Srod looks stunned and stands, open mouthed, gazing at the sight of a bunny bit-beast

Srod: Mr... Buggles?

Ryan pets Buggles on the head as he says...

Ryan: **Stupid baby voice** You're a brave little bunny, yes you are... Now, who's your daddy?

Buggles: **mouth opens wide as it speaks** Buga Buga

Meran smiles evilly as he calms himself

Meran: Whatever name your pathetic bit-beast goes by, I must say you're something of a disappointment Ryan. It's really strange I lost my calm against a worm like you, it's almost impossible that someone SO childish is supposed to be the sensei of Xai-yiu.

Ryan ignores them and keeps on petting Mr. Buggles head

Ryan: **stupid voice** Don't listen to those meanies, daddy still loves you.

Meran looks mad

Meran: So you somehow managed to survive the attack I cast on you, eh? You'll pay for mocking me. You and your worthless bit-beast will be ripped to shreds.

Meran's enormous bit-beast flicks around its mouth with its big disgusting serpent tongue

Mr.Buggles looks a bit scared and sad

Mr.Buggles: Buga, Buga.

Ryan: **silly voice** Yes buggles, daddy loves you too. So you ready to kick some butt?

Armash laughs out loud

Armash: It's a bunny you idiot! What you gonna do? Hop us to death?

Ryan looks in their direction and smiles

Ryan: Funny you should say that... GO BUGGLES! **Swings his hand into the air**

Buggles jump violently into the air whilst smoke emerges around the blade

Everyone besides Meran and Ryan looks utterly shocked

Before they even blink Ryan's blade has beaten Armash's blade away as if it were nothing

Before Srod has even turned his head around, Ryan's blade travelled several feet/meters to the left and then the right just to beat away both Srod and Noel at the SAME time!

Noel calls out

Noel: There's no way!

Ryan makes a cool pose

Ryan: Watch and face the world's strongest bit-beast!

Ryan screams out the name of his special attack

Ryan: BUGABOO!

Ryan's blade charges towards Meran's at the speed of light

Meran swings down his arm to defend himself as he glares at the bunny in anger

Ryan's blade fades away before hitting Meran's

Meran hears something behind him than looks back in shock, a reflected Ryan (with a cocky smile) is standing behind him

Ryan's blade then shows up BEHIND Meran's blade and beats its opponent away

Meran grinds his teeth in anger and frustration

Picture shows Buggles sitting on the back of Mahdi (Meran's bit) biting it's neck. Mahdi roars then Buggles jumps off and lands on his feet

Meran feels his neck and as he takes his hand away sees blood on his fingertips. He growls in rage.

Armash and Cliff's blades hunt Ryan's

Armash: I'm not gonna get beaten by a fag in a yellow flowery shirt!

Ryan's blade faces both of them and beats them away

Ryan: It's not the clothes that matters...

Ryan smiles cockily

Ryan: All that matters is what you got IN em, dude!

Ryan looks at the beautiful flower

Ryan: **thinking** ha-ha groovy flower.

Meran looks furious

Darryl looks amazed

Darryl: BUGGLES IS AWESOME!

Sam looks SO annoyed

Sam: Not you too...

Meran smiles

Meran: You low life's don't deserve your lives.

Ryan looks cocky

Ryan: You're way uptight, man. Free your mind, find your mantra!

Suddenly Ryan turns into THREE Ryans in a symbol that signals his ultimate attack

Ryan: The only ones who don't deserve their lives...

Ryan and his two reflections walk forward as the wind whips into a frenzy around them

Ryan: ...are those who don't respect the lives of others...

His beyblade splits into three...

...as does Buggles up in the air. Buggles looks pissed.

Buggles: **mad** Buga Buga.

Meran secretly does a sign behind his back

Ryan screams out

Ryan: BUGABOO!!!

The three blades charge towards Meran

Cliff's, Noel's, Srod's and Armash's blades surround Ryan's blade and quickly beat into it. As they hit him Ryan's focus wavers causing the reflections to disappear.

Ryan looks dazed

Ryan: What?

==Page 8==

[Armash laughs out evilly as he screams out]

Armash: SHAITAN!

An enormous light beam comes out of Armash's blade and out of the light comes a monstrous green arm, its muscles pulsing with raw power, and its claws glinting in the light

The green hands get a grip around Buggles

A dark green beast is appearing. It's similar to Mahdi but it's green and more muscular.

Ryan screams in pain

Ryan: **thinking** NO!

Meran smiles a pleasant smile

Meran: How heart warming, Shaitan will squeeze the life out of your friend. **Laughs evilly**

Ryan looks sad as he looks upon his bit beast

Ryan: **thinking** Buggles...

He tries to move his body, but can't

Ryan: **thinking** His bit beast got me in his grip.

Meran walks towards the bushes

Meran: **shakes his head** Ryan... Ryan...

He stares at Ryan with psychotic eyes

Meran: You're too lazy to win this...

Shows Buggles with tears in his eyes

Meran: You're too weak to save your friends...

Meran continues to walk towards the bushes

Meran: You're too useless to see the beauty of peoples suffering...

Ryan looks sad and worried for his friend

Meran: You think beauty is within...

Shows the flower Ryan looked at earlier, and Meran is walking towards it

Meran: LIFE! That's not beauty; allow me to show you the beauty...

Ryan looks worried

Meran's foot is above the flower as he says

Meran: The beauty of crushing your dreams before your very eyes...

With a heavy thud Meran crushes the flower with his foot and the picture flies up towards Meran's psychotic face

Ryan: HOW DARE YOU?!

Meran's eyes open wide

Within a second a HUGE white aura explodes around Ryan, an aura SO big it makes the trees back away a little bit

Ryan: I'LL SHOW YOU WEAK!

Ryan looks down with darkness covering his eyes but lots of anger in his expression

Armash and the others look scared

Smoke comes out of Buggles ears and anger fills Buggles face

Buggles: BUGA! BUGA!

Ryan bites together as his aura turns red from his fury

Ryan: YOU THINK SUFFERING IS A JOY!

Buggles turns red from anger and begins to mutate, Buggles grows bigger and bigger and get muscles and claws

Ryan: THEN I'LL SHOW YOU REAL SUFFERING!

Buggles leaps from Shaitan's grip like it was nothing

All four X-team blades get flung FAR away

Shaitan slams hard into the ground after Buggles' attack and the fall causes the earth to vibrate and smoke to emerge all around the place

Meran looks really shocked

The smoke begins to clear with the shadow of Ryan standing within it

Ryan: YOU NEVER KNEW WHAT REALLY MATTERS

The smoke clears and the picture zooms to Ryan's face that now has red burning skin. He still stares down at the ground.

Ryan: and for that...

Ryan: **Looks up with burning fury** YOU'LL PAY!!!

On the ground Ryan's beyblade has turned into EIGHTY identical REAL beyblades

The wind blows through him wildly as the anger in him increases

He balls both fists as his hair rises into the air with the wind. Rocks on the ground are tossed into the air and are CRUSHED with the awesome power that Ryan is creating. A burning aura surrounds Ryan as he screams at the skies above

Ryan: BUGABOO, FATAL STRIKE!

The entire sky lights up for a second from Buggles' incredible power

Picture shows Cliff's blade getting torn to pieces by blade after blade hammering into it

Shows Noel's blade getting pounded as if it were made of paper

Shows Srod's blade as it takes harder and harder hits

Shows Armash' blade getting beaten over and over as the ground shakes like hell, and rumbles like thunder

Shows Ryan looking brutal with the ultimate aura around him as he screams

Ryan: BUGGLES, FINISH THEM!

Buggles charges towards Mahdi at full force and Buggles rakes across the monsters chest with his claws causing massive, bloody wounds. Mahdi retreats into its blade, unable to battle any longer

Shows each one of the X-team member's blades getting ripped to pieces from the huge hits RYAN's blades cause

The X-teams' screams are engulfed by the enormous sound, and the ENTIRE place is overwhelmed by smoke for probably MILES away

Meran falls to his knees, now with big bloody wounds on his chest. Something unseen cuts up his pocket and the cards fly out carried along by the powerful wind

The smoke disperses and shows Sam and Darryl lying on the ground totally lost of words

Sam: That's Ryan?! When did HE...

Picture shows Ryan standing amid the smoke with the wind blowing through his long dirty hair, and darkness shadowing his eyes. It looks WAY dramatic

Ryan stretches out his hand and catches all the cards that were gotten by the powerful wind HE mastered perfectly

Ryan looks up with a cocky smile.

Ryan: Whoopsy daisy, one win for the lazy!

Meran is on his knees all beaten up, his expression as black as thunder, as his bit chip is sent to land right before him

The great hurricane vanishes and Ryan sends Armash's bit chip flying right into Armash' hand. As Armash looks down on the bit chip his eyes become fearful

Armash: **shaky voice** There's just no way!

Picture shows Ryan's blade surrounded by the pieces of what once were X-Team's beyblades (The ground beneath the blades is now not grass but earth)

The beam that is Buggles goes back into the beyblade. The picture zooms out at ultra speed, showing off a pit so big and so deep that it covers the ENTIRE distance between Ryan and Meran, starting by Ryan's feet and ending EXACTLY by Meran's bit chip. (Trust me it's WAY huge)

Ryan raises his hand and his beyblade flies right into it. He looks upon it and says

Ryan: Thank you, Buggles. That was wicked.

Darryl looks totally amazed

Darryl: That was TOTALLY amazing!

Sam is stunned

Sam: I've never seen anything like it...

Darryl: You're the BEST, man!

Ryan looks serious as he asks...

Ryan: Do you get it now? Do you get that life's not a tool?

Blood flows from Meran's wounds as he begins to laugh louder and louder

Meran: Quit amusing me, low life! Your power goes beyond even my wildest dreams.

He picks up his bit chip as his hand shakes psychotically

Meran: But every blader has their weakness and after all these years I've spotted yours.

He looks up with blood thirst in his eyes

Meran: Even the devil himself would cry if he knew what I will do to you!

Armash shows up behind Meran to help him up

Sam and Darryl looks a bit nervous

Ryan looks angry but also sad

Meran and the rest of X-team are walking away, Meran is holding onto Armash' shoulders as they walk away, but before they leave, Meran stops and turn around to say a few last words

Meran: When we meet again, Kassatsu blood shall paint the earth red. You've my word on that.

Meran and the others walk away

Ryan looks serious

Ryan: **thinking** and I vow to be there to fight you...

Ryan looks skyward with sorrow in his eyes

Ryan: **Thinking** ...My old team-mate.

Meran and Armash are far away as Ryan turns around and look at HIS team mates

Ryan: Your mantra should be back by now.

Sam and Darryl look up at him

Sam: huh?

Ryan: Let's split...

Ryan smiles his drugged smile

[Later by the gate to the park, fat ass Sebastian has just woken up]

Sebastian: WHAT?! **Eyes open wide**

Antonio looks all happy waving his arms in the air

Antonio: **happily** Mr. Buggles the bunny saved us and he make the bad people go crying to mommy!

Sebastian stands looking all confused

Sebastian: **thinking** This whole world has turned insane.

Ryan is standing against a tree looking tired and bored

Sam looks towards Ryan with a furious expression as he asks...

Sam: Hey, Ryan. What are my chances of beating that Meran guy in a head-on fight?

Ryan: Zero!

Sam looks shocked

Sam: NO WAY! I MUST BEAT HIM! I MEAN YOU BEAT THE GUY WITH A BUNNY!

Ryan looks towards Sam with lots of anger in his eyes

Ryan: Don't be such a square; the power of the bit-buddy is not about which animal form it takes. What makes the true groove is the bond between the bit and the blader. It's all about the balance, man. Never heard of yin and yang?

Sam looks a bit sorry

Sam: Sorry, I was just...

Ryan: You're too uptight!

Ryan looks arrogant

Ryan: The truth is in a serious battle you wouldn't last 3 seconds against this guy.

Darryl who hears this looks really surprised

Darryl: Get out of here...

Sam: But what if he returns tomorrow? How are we supposed to practice for the tournament?

Ryan smiles cockily

Ryan: I wounded both him and his bit-buddy. He won't be at his full strength for another 7 days.

Sam looks a bit uncaring

Sam: Well that's good.

Ryan smiles his drugged smile

Ryan: Hey Sam...

Sam looks up

Sam: What?

Ryan rises from the tree

Ryan: About the tournament...

Picture rolls over Ryan's face as he says

Ryan: I'll join in...

Sam's eyes open wide

Sam: What?! **mouth opens wide**

Darryl: That's awesome!

Sam looks pleased as he asks

Sam: What made you change your mind?

Ryan slowly walks by Sam than turns around and says

Ryan: **Drugged smile** Well someone gotta save your butts.

Darryl and Sam look a bit pissed

Ryan waves his hand for them to follow him

Ryan: Nah, I was just kidding. Come on, let's split. You guys got training to do!

Ryan walks out of the gate, and Sam and Darryl follow along

Sebastian begins to walk after them with a confused look

Sebastian: **thinking** What the hell is going on?

Antonio is about to follow but then he stops as he remembers he had another card in his pocket

He picks up the card, looks at it, then puts it on the top of a trash can by a tree and runs after his friends

Antonio: Wait me!

Picture shows the golden card upon the trash can as, slowly, a white hand picks it up

The picture zooms up the arm and it shows up to be Chris who was hiding behind the tree, he looks angry

Chris: **Thinking** Just wait, Kassatsu Doragons, someday soon I'll bring you down!

[Meran is holding onto Armash shoulder with an evil scary smile on his face]

Armash: Hey Sensei?

Meran bites together

Meran: What you want, trash?

Armash: How come you didn't...

Meran looks up with dead scary eyes

Meran: Its called strategy, you fool! I didn't release the TRUE form of Mahdi for a reason...

Armash seems scared

Armash: **Shaky voice** I'm so sorry, sir.

Meran looks at his student with great fury

Meran: Shut up and find a place to sew my wounds together!

It's silent for a short while than Srod carefully asks...

Srod: What's the plan to defeat that guy?

Meran look at him with death in his eyes

Meran: There's only one weakness to a blader like Ryan.

Noel looks curious

Meran smiles scarily

Meran: That's to kill those close to him.

Meran begins laughing out loud scarily

Noel and the others smile, but hide the fear in their eyes

Cliff looks a bit guilty as they walk on

The picture fades to black as Meran laughs out loud with the most psychotic expression yet
